

Dunkirk Excelsior EXC – Triple Pass Oil Fired Boiler Announcement

Dear Valued Customer,

Dunkirk is happy to announce a new Excelsior oil fired triple pass boiler platform. The new EXC will consolidate the product line and offer improved performance. The existing EXB models will be replaced by new EXC models as a rolling change while supplies last. Customer service will notify you of any replacement product changes on your orders.

The Excelsior EXC is offered in a packaged configuration with 3, 4, 5, and 6 section models. The updated design uses an advanced cast iron heat exchanger with excellent thermal properties. Maximum inputs range from 93,000 btu/h to 215,000 btu/h.

Features:

- Advanced Triple Pass Design – Low Exhaust Temperatures for Less Energy Loss
- Hydrolevel Fuel Smart HydroStat, combination Low Water Cut Off with Boiler Temperature Reset and Circulator Control
- Beckett, Riello, Carlin and Less Burner Options
- Less Pump or Taco ECM Pump Options
- All Models are ENERGY STAR® Certified
- Thick Insulation maximizes heat retention during standby
- Reversible Swing Door
- Residential Warranty: 20 year non-prorated heat exchanger limited warranty, 5 year parts limited warranty

Model	Oil (G.P.H)	Input MBH	Htg. Cap. MBH	AHRI Net MBH	AFUE (%)	Shp. Wgt. lbs	Dimensions W x H x D (inches)	Sections	Flue (inches)
EXC3067	0.67	93.4	81	70	87	275	18 x 31 x 18 ½	3	5
