

June 5, 2025

Dear Valued Customer,

Effective July 21, 2025; ECR will be implementing a new trade price sheet with a price increase on **Cast Iron Boilers, Oil Furnaces, Indirect Tanks, and Electric Boilers**. ECR has tried to minimize these increases for our customers.

All Brands - Categories	Price Increase Percentages
Cast Iron Boilers	4%
Oil Furnaces	4%
Indirect Tanks	4%
Electric Boilers	4%

Please check the new list prices when distributed per electronic file. Pricing will be loaded and available on your ECR Distributor Web Portal by the week of **6/16** and can be downloaded at:

<https://www.ecrcustomerportal.com>.

Should you have any questions regarding these changes please do not hesitate to contact your ECR Representative, Regional Sales Manager, or Customer Service Representative at 1-800-325-5479.

Sincerely,

Bob Shea
Executive Director of Sales
ECR International
